PROFESSIONAL SUMMARY

Undergraduate STEM student, pursuing a Bachelor of Science in Statistics with an emphasis in Data Science, with hands-on experience supporting peers in academic learning environments through mentoring, tutoring, and classroom support. Strong quantitative thinking, cross-cultural communication skills, and a genuine interest in data-informed decision making. Seeking work-study or internship opportunities.

WORK EXPERIENCE

Foul Territory

Research Intern

May 2026 – Aug 2026

- Conducted comprehensive pregame research for daily MLB coverage, analyzing player performance, team trends, injuries, and key statistical matchups.
- Researched and compiled background profiles on 75+ potential MLB All-Stars, including career accomplishments, personal stories, and notable milestones to support live broadcasts and interviews.
- Gathered and synthesized advanced baseball statistics and historical data to provide timely insights for on-air and production staff.

International Siblings Society

Data Analytics Intern

May 2026 – Aug 2026

- Worked with United Nations to analyze Sustainable Development Goal datasets using R to identify trends in global water access and sanitation.
- Built statistical models and created data visualizations using Power BI and Tableau to present findings to general assembly.
- Conducted research on Hurricane Maria's long-term impact on Puerto Rico's socioeconomic recovery.

Brigham Young University

Provo, UT

Student Consultant on Teaching

Feb 2026 – Apr 2026

- Worked directly with professors to review their teaching and suggest practical ways to improve student engagements.
- Observed and recorded classes, then shared clear, straightforward feedback on what was working and what could be improved.
- Led student focus groups to understand their classroom experience and used that input to help instructors make targeted changes.

Brigham Young University

Provo, UT

Student-Athlete Mentor & Teaching Assistant

May 2025 – July 2025

- Worked directly with student-athletes in structured academic settings, helping peers manage coursework, stay organized, and balance academic responsibilities with athletic commitments.
- Served as a Teaching Assistant for STDEV 117, supporting classroom instruction through grading, student check-ins, discussion facilitation, and one-on-one academic guidance.
- Supported students who were struggling academically by helping them develop study plans, improve time management habits, and make effective use of tutoring and learning center resources.

Chick-fil-A

Provo, UT

Customer Service Associate

Feb 2025 – Nov 2025

- Gained experience working in a high-volume service environment that required consistent communication, professionalism, and problem-solving with a wide range of customers.
 - Developed strong interpersonal skills by responding to guest concerns, adapting communication styles, and maintaining a supportive and respectful demeanor under pressure.
 - Worked collaboratively within a team-based environment, learning how to manage multiple responsibilities and contribute positively to shared goals.

LEADERSHIP & COMMUNITY ENGAGEMENT

Church of Jesus Christ of Latter-day Saints

Provo, UT

Full-Time Community Representative

January 2023 – January 2025

- Designed and led free 25-week English language classes for community members, creating lesson plans, tracking participation, and supporting learners with varying educational backgrounds.
- Supervised and mentored teams of 30+ representatives, conducting weekly training sessions focused on goal-setting, communication, and personal development.
- Gained advanced Spanish fluency and deep cross-cultural awareness while adapting teaching and support strategies to diverse communities.
